

# 16<sup>th</sup> Asian Welding Technology & Its Application Seminar/Forum/Exhibition

**1st  
Announcement  
Call for Papers**

**ASIAN WeldTech16-2024**

## HARNESSING ADVANCED WELDING AND JOINING FOR GREEN LIVING

Asian Welding Technology and Its Applications is a platform for scientists, researchers, business people and interested parties *around the Asia* to share experiences and exchange their knowledge and new technologies/findings on Welding, Joining and Related Fabrication Technologies to enhance their knowledge and capacity and, strengthen welding and joining science, technology and engineering for global growth.

Bring to you by  
**Malaysian Welding and Joining Society (MWJS)**  
&  
**Malaysian France Institute (MFI)**

In conjunction with:

**41<sup>st</sup> ASIAN WELDING FEDERATION (AWF) TECHNICAL AND BOARD GOVERNING MEETINGS 2024 (07-09 Nov 2024)**

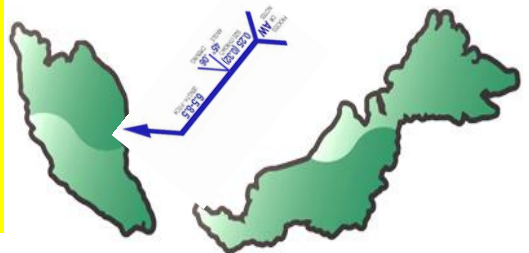

### Scopes

#### Welding, Joining and Fabrication Aspects:

- 1) Materials and Equipment
- 2) Process and Simulation
- 3) Health and Safety
- 4) Training and Certification
- 5) Code, Standard and Specification
- 6) Robotic and Artificial Intelligence

**When: 06 Nov 2024**

**Where: MFI Bangi/Kajang, MALAYSIA**

Abstract last submission date: 15 October 2024.

For further information contact:

1. *Malaysian Welding and Joining Society (MWJS):*

Masitah ([mwjs2020@gmail.com](mailto:mwjs2020@gmail.com)); Dr Abdul Aziz ([mwjsorg@gmail.com](mailto:mwjsorg@gmail.com))

On-line Registration: (TBA)

#### Event fees

	Student	Regular	Exhibitor
MWJS member	RM100	RM250	RM1500
Non-MWJS member	RM100	RM350	RM1700
Others- AWF, IIW, MNS, MSNT, ASME-Malaysia, IMM, WIM	RM150	RM300	RM1500
International	USD50	USD100	USD600

In parallel to the programme, we are organising the expo regarding student's final year/MSc/PhD projects & products development by various IPTA, IPTS and also by companies those are sponsoring this event.
